APPLICATION FOR WESTERN UNDERGRADUATE EXCHANGE PROGRAM (WUE) TUITION
CLASSIFICATION
STATE OF NEVADA

What is WUE?

WUE is the Western Undergraduate Exchange, a program of Western Interstate Commission of Higher Education (WICHE). Through WUE, students in the western states may enroll in many two-year and four-year college degree programs at a reduced tuition level: 150 percent of the institution’s regular resident tuition. WUE tuition is considerably less than nonresident tuition. If you are granted WUE tuition at one of the NSHE institutions you will receive WUE tuition at all other NSHE institutions (proof of WUE status may still be required by the institution). If and when enrolled in a NSHE institution under a discounted tuition program such as WUE, a student shall not normally be reclassified as a resident student following matriculation. A nonresident student who subsequently unenrolls from WUE and pays full nonresident tuition for at least 12 months may apply for reclassification to resident student status.
