I. Welcome from Dr. Rene Cantu; bring members up to date on a couple items:
   a. Vote and roundtable at last NSC Board of Regents meeting; The Board of Regents structure has recently added a Diversity Council
   b. This will help the agenda here at CDAC and at the college
   c. Goal of NSC is to reflect the community it represents and preparing students to join the ranks in Southern Nevada after graduation
   d. Thank you for coming and taking part in CDAC

II. Introductions from attendees

III. Icebreaker/SWOT activity lead by Mr. Bill Howlett

IV. Explanation of SWOT (Strengths, Weaknesses, Opportunities, Threats);
   a. SWOT is part of a systems-thinking model; Rubix Cube as an example of analytical thinking
   b. Systems-thinking helps you to look at relationships; start seeing relationships
c. Skeptic model; looking 3-5 yrs out, what is happening in the world; globally, nationally, regionally and locally
d. Take back SWOT model and results to attendees’ respective industries

V. We will look at five trends in these areas (projecting into the next three to five years):
   a. Economics
   b. People and Society
   c. Customer and citizens
   d. Political and regulatory
   e. Technology

****SEE ATTACHMENT FOR COMMITTEE INPUT AND RESULTS OF SWOT ANALYSIS

VI. Continue, Stop, Start: What meeting components do members wish to continue, stop and start to do?

VII. Next meeting topic is Best Practices and Diversity
   a. June 9th, Palace Station Casino

VIII. Meeting adjourned; members invited to meet for dinner
