**POST-BACCALAUREATE
SPEECH AND LANGUAGE EDUCATION PROGRAM (PB-SLEP)
(ACCELERATED)**

Program Information

The NSC School of Education is proud to offer a Post-Baccalaureate Teacher Education Program in Speech Pathology. This program provides an opportunity for students with a bachelor's degree or higher to apply for the endorsement for speech and language impairment from the Nevada Department of Education or obtain the necessary academic requirements to apply to graduate programs in speech pathology and audiology. This endorsement is limited to the public school systems in the state of Nevada.

The Post-Baccalaureate Teacher Education Program does not lead to a degree. Students completing the program will need to apply for a teaching license through the Nevada Department of Education. For more information on the teacher licensure requirements visit the Nevada Department of Education at www.doe.nv.gov.
