

SCHOOL OF EDUCATION  
NEVADA STATE COLLEGE

## Post-Baccalaureate Teacher Education Program (TEP)

The School of Education offers course work leading to teacher certification in Elementary Education, Special Education, and Secondary Education for individuals who have earned their Bachelor of Arts or Science in any area.

The Post-Baccalaureate Teacher Education Program does not lead to a degree. Students completing the program will need to apply for a teaching license through the Nevada Department of Education. For more information on the teacher licensure requirements visit the Nevada Department of Education at [www.doe.nv.gov](http://www.doe.nv.gov).

### Program Admission and Prerequisites

1. Bachelor's degree or higher with a minimum cumulative GPA of 2.5.
2. General admission to Nevada State College.
