ACADEMICS

Academic Advising Center (AAC)

We work collaboratively with students to develop achievable educational and career plans.

VISIT US to discuss changing your major, plan your class registration, and check your degree requirements.

Academic Success Center (ASC: Tutoring)

We offer free one-on-one and group study sessions with trained peer tutors.

VISIT US to prepare for a test, review course work, and practice concepts.

Admissions & Recruitment

We support students as you enter college and begin your careers as dynamic and forward-thinking professionals.

VISIT US to apply to become a Scorpion, learn more about financial aid, and plan a course of study.

Bookstore

We are your one-stop shop for all your class textbooks, spirit gear, supplies, and more! During the academic year, we are open 9 a.m. to 5 p.m. Monday through Thursday and 9 a.m. to 1 p.m. on Friday.

VISIT US to buy books, stock up on spirited attire, and purchase discounted RTC bus passes.

Disability Resource Center

We coordinate reasonable accommodations for students with documented disabilities. We also support our military and veteran students with any unique needs.

VISIT US to learn more about assistive-learning technology, document your disability, and raise concerns about unmet needs.

Marydean Martin Library

We are the heart of the Rogers Student Center! As the first digital academic library in Nevada, we provide you instant access to over one million e-books.

VISIT US to get research help, access computers and printers, borrow technology, and use our group study rooms.

TRIO SSS

We foster a strong sense of community and a positive orientation towards success through intentional relationships with peers and mentors for low-income, first-generation, and students with disabilities.

VISIT US to check your eligibility, engage in targeted study groups, attend professional development workshops, and become financially literate.

Writing Center

We provide writing specialists trained to engage with you, provide feedback, and offer guidance on your specific assignment needs.

VISIT US to get help with a paper and improve your writing skills!

CAREER PLANNING & SUPPORT

Career Services Center

We assist currently-enrolled students and alumni with major and career exploration, résumé development, interview preparation, graduate school applications, and more.

VISIT US to connect with job and internship opportunities, craft a cover letter, and polish your professionalism.

Human Resources (HR)

We provide a wide range of employment support services to Nevada State College faculty, staff, and student employees.

VISIT US to discuss Nevada State workplace policies and procedures, address any concerns, or answer your employment or benefits questions. Visit jobs.nsc.edu for employment opportunities.

GENERAL SUPPORT

Cashier's Office

We offer students comprehensive and useful financial solutions to your educational needs while contributing to your overall college experience.

VISIT US to pay your tuition, learn more about payment plan options, and find out about financial aid refunds.

Dean of Students

We oversee the Academic Advising Center, Student Life, New Student Orientation, the Disability Resource Center, and Campus Police, enabling students to realize your full intellectual, professional, and personal potential.

VISIT US to receive C.A.R.E. Team counseling support, report misconduct, and navigate any life challenges hindering your success.

Financial Aid

We help students learn more about how to receive and use financial aid to responsibly fund the cost of your education.

VISIT US to ask about the types of aid available, determine your cost of attendance, and get help filling out a FAFSA form!

Information Technology Services (ITS)

We are committed to providing faculty, staff, and students with the technological resources necessary to foster an environment of learning and collaboration.

VISIT US to receive or replace your student ID card, reset your my.nsc.edu password, and report technical issues with campus equipment.

Registrar

We establish, maintain, and assist with student academic enrollment records while upholding and maintaining the policies and procedures of the college.

VISIT US to request a transcript, verify your enrollment, or submit a petition.

HEALTH, WELLNESS & SAFETY

Case Manager

We assist students with coordinating resources that ensure you have all of the support you need to BE SUCCESSFUL, both inside and outside the classroom.

VISIT US to access the food pantry and connect with counseling services, medical, financial, and other non-academic support.

Counseling Services

All About You (AAU) Counseling's licensed clinicians offer free, short-term, on-campus mental health counseling sessions to help our students focus on stabilization, symptom reduction, and skills building.

CALL US to talk through a traumatic experience, get support with emotional stress, and create a plan to achieve personal and academic goals.

Facilities

We ensure that the campus is comfortable, safe, secure, accessible, well-illuminated, well-ventilated, and aesthetically pleasing, creating an environment that enriches lives and facilitates success.

CONTACT US to report damage or hazards on campus, inquire about lost and found items, and request restroom maintenance.

Gym

We provide the campus with professional fitness equipment including stationary bicycles, ellipticals, a treadmill, and free weights in a safe space where you can burn calories and build muscle while creating new friendships.

VISIT US to get free access to our equipment, train for sports activities, and maintain a healthy lifestyle!

Mt. Scorpion Café

We offer the campus a perfect blend of culinary classics, a variety of local and organic ingredients, and first-rate catering services with on-trend food presentations for events on campus.

VISIT US to grab a Starbucks coffee, meet with friends, and enjoy fresh ingredients from our campus garden.

STUDENT LIFE

Community Engagement & Diversity Initiatives (CEDI)

We promote a campus culture that values diversity in all its forms. Our inclusive dialogues and experiences leverage people as a source of collective learning, campus unity, and institutional strength.

VISIT US to learn more about support for undocumented students, build connections through identity-themed clubs, and raise awareness of issues by joining the Diversity Initiatives Task Force at 2 p.m. every first Friday in RSC 370.

Nevada State Student Alliance (NSSA)

We are an alliance of students who create a progressive and lively dialogue between the student body and the college's administration to inspire real change and shape new traditions.

VISIT US to get involved on campus, start your own club, or suggest an idea to improve student life.
