

Immunization Exemption Form

For a Medical Condition

If a current medical condition prevents a student from being immunized, a statement to that fact must be provided by a licensed physician. *Please attach your physician's statement.*

I _____, request to be excused from NSC's immunization
(Print name)

requirement due to my current medical condition.

Signature

Date

NSHE I.D.

If the student is *under 18*, a parent or legal guardian may submit the letter on the student's behalf.

I _____, request that my child be excused from NSC's
(Print parent's name)

immunization requirement due to a current medical condition. *Please attach the physician's statement.*

Parent's Signature (if student is
under 18)

Date

Student's NSHE I.D.

Print Student's Name

If there is a communicable outbreak at NSC related to the required immunizations, you will not be permitted to attend classes until you become immunized (2 measles, mumps, rubella; current TD; and a current meningitis if you were under 23 when enrolled in your first semester), provide proof of immunizations, or are allowed to return by an appropriate health authority.

Immunization Exemption Form

For Religious Belief

If religious beliefs prohibit a student from being immunized, the student must complete the following statement.

I _____, request to be excused from NSC’s immunization
(Print name)

requirement due to my religious belief.

Signature

Date

NSHE I.D.

If the student is under 18, a parent or legal guardian may submit the letter on the student’s behalf.

I _____, request that my child be excused from NSC’s
(Print Parent’s Name)

immunization requirement due to religious beliefs.

Parent’s Signature (if student is
under 18)

Date

Student’s NSHE I.D.

Print Student’s Name

If there is a communicable outbreak at NSC related to the required immunizations, you will not be permitted to attend classes until you become immunized (2 measles, mumps, rubella; current TD; and a current meningitis if you were under 23 when enrolled in your first semester), provide proof of immunizations, or are allowed to return by an appropriate health authority.
