

## TRANSFER AGREEMENT

**4-Year Institution:**

**Bachelor's Degree Program:**

**Academic Year:**

Nevada State College	BA- Speech Pathology	2019-2020
----------------------	----------------------	-----------

**2-Year Transfer Institution:**

**Associate's Degree Program:**

**Emphasis:**

College of Southern Nevada	Associate of Arts	None
----------------------------	-------------------	------

**NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate's degree listed. If the associate's degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.**

1. Students should complete the Associate of Arts at CSN and the coordinated program of study for the Bachelor of Arts in Speech Pathology at NSC as indicated in this transfer guide. Any course substitutions should be made with the guidance of an advisor or counselor to ensure that all requirements are met.
2. [Transfer Rights and Responsibilities](#)
3. Only courses with a grade of D or higher will be accepted for transfer to NSC. However, only courses with a grade of C- or higher (equivalent to 1.7 grade points for each credit earned) can carry credit towards major requirements. A course completed with a grade of less than C-, if counted toward graduation at the community college, may be used to satisfy NSC graduation requirements. However, the course will have to be repeated if the NSC major specifies a higher grade for all students. If a CSN course has more credits than the NSC equivalent course, the additional credits will be included in the program total as general transfer credit. NSC requires that a minimum of 60 credits must be completed at the four-year institution. Additionally, a minimum of 32 upper division credit hours must be completed in residence at Nevada State College.
4. Students may elect to graduate under the course catalog graduation requirements under any of the following options, provided that the course catalog at the time of graduation is not more than 10 years old:
  - a. The course catalog of the year of enrollment in a baccalaureate level course/program at a NSHE community college (a valid transfer agreement may be required).
  - b. The course catalog of the year of transfer into a baccalaureate level program at the universities, state college, or community colleges that offer select baccalaureate degrees.
  - c. The course catalog of the year of graduation from a NSHE institution.

**Bachelor's Required General Education/Core Courses:** General education/core courses are to be completed during the associate's program. NOTE: Lower-division General Education requirements are fulfilled upon completion of the associate's degree, with the exception of the courses listed below. If a General Education subject is not listed here, you may select any general education course approved for the associate's degree program.

*ENG 101, ENG 102, MATH 120, PSY 101, CHEM 105, BIOL 189, SOCIAL SCIENCE, PSC 101, COM 101, FINE ARTS, HUMANITIES, CULTURAL DIVERSITY*

**Specific Program Courses:** The following courses also should be completed during the associate's program. These courses will articulate to specific program requirements for the bachelor's program. Courses marked with an asterisk (\*) are critical prerequisite or bachelor's program progression courses which will impact a student's progress to completing the bachelor's degree in a timely manner if they are not taken during the associate's degree program.

*EDU 203, EDU 214, EDU 220, PSY 210, ENG 211*

**Articulations/Block Transfer:** The following are approved articulations/substitutions/block transfer for the above mentioned programs. These courses will transfer accordingly and apply to the bachelor's program as listed.

<b>Associate's Program Course</b>	<b>Bachelor's Program Course</b>	<b>Bachelor's Requirement</b>
MATH 120	MATH 120	CORE
ENG 101	ENG 101	CORE
COM 101	COM 101	CORE
HUMANITIES	HUMANITIES	CORE
CHEM 105	CHEM 105	CORE
ENG 102	ENG 102	CORE
BIOL 189	BIOL 189	CORE
FINE ARTS	FINE ARTS	CORE
PSC 101	CH 203	CORE
PHIL 102	ELECTIVE	ELECTIVE
