Financial Aid Ineligible Credit Review

Academic Advising Center

At Nevada State College, we want to do everything we can to put you on a degree pathway to success. In doing so, we need to ensure that you are taking courses that help you to fulfill the degree and graduation requirements for your declared program of study. To help students avoid unnecessary expenses, financial aid can only be provided to cover the costs of courses that apply toward the completion of a student's declared program of study. Our records indicate that you are enrolled in at least one course that does NOT apply to your declared program of student (major/minor).

Please complete the following form to request an eligibility review of your enrolled credits and return the form to the AAC in-person or via email at aac@nsc.edu. The review process typically takes 3-5 business days. You will receive notification via email of the final decision made by the Academic Advising Center. Please provide all requested information below. Failure to complete all required information could result in a delay of processing or denial.

FOR COMPLETE ACCURACY, PLEASE ATTACH THE ORIGINAL FINANCIAL AID INELIGIBLE CREDIT LETTER YOU RECEIVED.
